

Dear Temple Devotee,

With Durga Maa's blessings, we are pleased to announce that **our beloved temple is opening for Darshan ONLY from Monday, June 15th**. The temple will be open for inside Darshan from **6 pm to 7:30 pm every day**. This will be followed by **outside Ganesh Ji Aarti at 7:30 pm**. Please note that the priest will not be able to perform personal pujas during 6 pm to 7:30 pm. But you can **call Temple Manager Raji Natarajan at 201-916-6881 and schedule personal pujas**. Devotees are advised not to bring any offerings to be offered to the deities. Also, in order to safeguard the safety of the priest, the devotees and the volunteers, all are requested to wear mask and sincerely follow the social distancing guidelines while visiting the temple. **A short video which explains the protocol to be followed will be posted on the temple FB page and the temple website soon**. During your visit, volunteers will be present to provide assistance to anyone who requires it. At this time, rest room facilities will not be available to the devotees.

Our temple is hurting. It has been there for you, for your children and also for your parents. The unprecedented and extremely challenging circumstances of the last four months have brought a financial crisis to the temple, the details of which were shared in an earlier email from the President, Mrs. Ambat. In order to bring the temple out of the current crisis, we are requesting all our devotees to participate in a very simple and effective program which has the potential of improving the present condition with everyone's help. Please join the ACH program. Your monthly contribution of \$25 and above will help sustain the temple for a long time. All that is required is a voided check from you. The amount authorized by you will be withdrawn from your checking account every month. You can request the temple to stop the payments at any time by contacting the management at any time. The ACH form is attached. Please contact Mrs. Raji Natarajan at manager@hindusamajmandir.org for more information.

Please join in the program and encourage all your friends to do the same.

With many thanks and appreciation,

Hindu Samaj Management
